

Jorge is sad because he has to carry bags for his mother when she shops.

Jorge's a pizza man. He doesn't have enough hands to hold pizza, dropping one. His boss is angry.

Brandon tells Jorge a arab the arnbe made + can help Jorge Jorge

Jorge's new arm helps him hold pizza. Through voice control he can configure + to automatically set positions.

Jorge's arm also performs auto's based on hand control, letting him grab a shirt from a shelf for he man

Jorge can now be h not spill his pizza so he is
